Oikos 3 Game (ages 10+)

How about a game to improve your family's EQ, emotional intelligence, or to teach drug and alcohol prevention to kids? Oikos 3 is a follow up game to the popular Oikos, which taught younger children about emotional intelligence in a practical way. The game focuses on developing many skills in the areas of problem-solving, decision making, taking responsibility and understanding the self, to name just a few. \$39.95. Visit www.oikosglobal.com to learn more.

WeekDate Calendar

If you haven't picked up your New Year's calendar yet, or if you're frustrated by not being able to see all that you need to see on your current calendar, check out the WeekDate. This unique calendar works in layers, so you can see months, weeks and specific details all at once. And what's really great is that you only have to write recurrent events, appointments, etc. once. \$24.95 Available online at www.WeekDate.com.

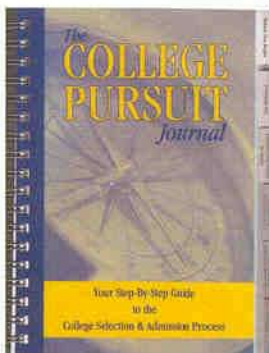

Valentine's Hair Pieces

These beautiful hairclips for girls (or Moms) make a wonderful gift on Valentine's Day. The pearl and flower clips come in white or pink and the lovely crystal flower clip features beautiful Swarovski crystals. \$7 - \$10. Visit www.myizzy.com for more information.

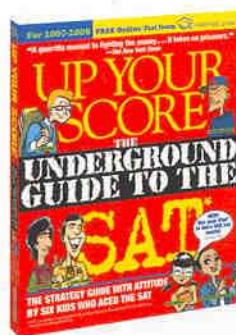

BOOKS

The College Pursuit Journal

For every college-bound student, this great guide helps keep students on track for college. The book focuses on understanding the college selection and admission process with a step-by-step approach to be followed from the freshman to senior years of high school. The guide is interactive and a great tool for

organizing and managing all the information students need to analyze before making that all-important decision of where to go to college. \$19.95 Visit www.collegepursuit.biz to learn more.

Up Your Score: The Underground Guide to the SAT

Written with "attitude" by six kids who aced the SAT, this entertaining strategy guide doesn't ignore the "real world" of teenagers (iPods, cell phones, Internet, etc.) while teaching great techniques for boosting scores on the mother of all tests, the SAT. It's an unapologetic guerilla guide that's

not afraid to go after the pundits who developed the SAT and anything else that gets in the way of scoring well on the test. \$11.95 Available at Barnes and Noble or www.amazon.com.

Correction from Sept/Oct 2006 issue

"Tapology" is by Marsha Pitt. A review for the DVD incorrectly spelled her name.
